CARA INSTALL SKYPE

Step 1

Buka <http://www.Skype.com>

Step 2

Step 3

Make Skype part of your everyday life

Klik Button

your computer

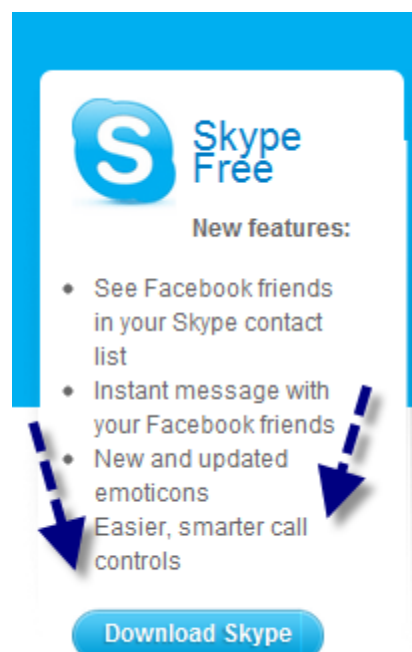

Install Skype, add your friends as contacts, then call, video call and instant message with them for free. Call people who aren't on Skype too, at really low rates.

[Get Skype for Windows](#)

[Other downloads](#)

The image shows a screenshot of the Skype website. At the top, there is a blue banner with the text "Make Skype part of your everyday life" and the Skype logo. Below the banner, there is a laptop displaying a video call with four participants. To the right of the laptop, there is a section titled "your computer" with a sub-header "Klik Button" and a list of instructions: "Install Skype, add your friends as contacts, then call, video call and instant message with them for free. Call people who aren't on Skype too, at really low rates." Below this text are two buttons: "Get Skype for Windows" and "Other downloads".

Step 4

Skype Free

New features:

- See Facebook friends in your Skype contact list
- Instant message with your Facebook friends
- New and updated emoticons
- Easier, smarter call controls

[Download Skype](#)

The image shows a screenshot of the Skype website. At the top, there is a blue banner with the text "Skype Free". Below the banner, there is a section titled "New features:" with a list of four bullet points: "See Facebook friends in your Skype contact list", "Instant message with your Facebook friends", "New and updated emoticons", and "Easier, smarter call controls". Below the list is a button labeled "Download Skype".

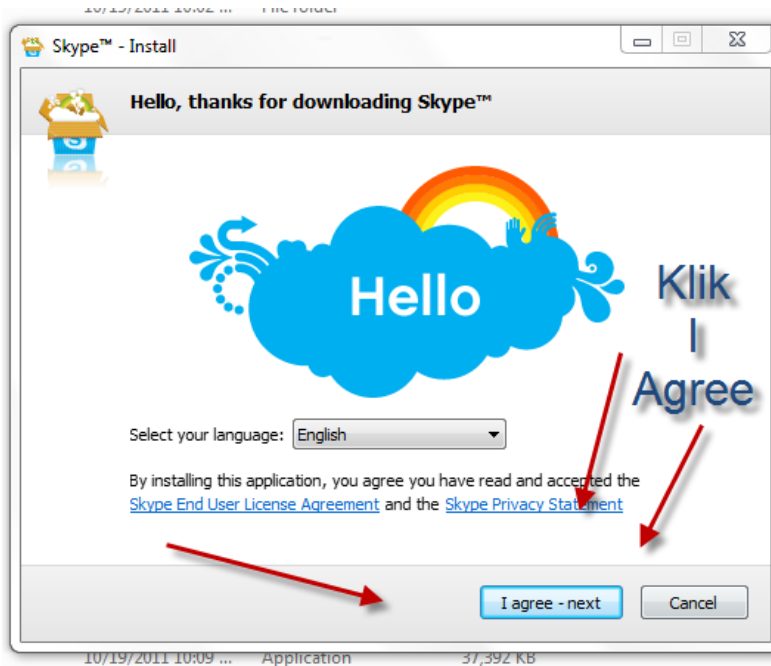

Link Langsung Downloadnya adalah :

<http://download.skype.com/3694814915aaa38100bfa0933f948e65/partner/59/SkypeSetup.exe>

Step 5
